**Subject:** Search and Rescue Mission Assignment

We have received verbal tasking from FEMA to move forward with providing search and rescue capabilities in the impacted areas ASAP...

The Mission assignment statement of work will task us to provide up to 50 boats capable of search and rescue

The initial MA will be for \$ 500,000.00 ... we can amend it for more funds if needed later on...

The POC for FEMA is Jeremy Schaefer with FEMA, with the IMT team in Austin (Mike is coordinating with him)...

Will distribute MA as soon as we receive it...

*With Regards, Steve*
